Submitted to His Highness.

The question of making available to the public information about the distribution of portfolios between the Dewan and Members of Council has been brought up at the Legislative Council Meetings more than once in the form of a resolution.

2. The subject was considered in Council on the 3rd December 1927 when it was resolved that the distribution of portfolios might be published in the half yearly Civil List if the resolution should be pressed.

3. For want of time, the resolution was not taken up for discussion at the Legislative Council. It is the practice in British Provinces to publish such information. There appears to be a genuine demand from the public for this information and there is no harm in complying with the request.

4. Under the circumstances the Comptroller will be requested to incorporate in the half yearly Civil List a statement showing the departments under the immediate charge of the Dewan and Members of Council (copy enclosed).

5. His Highness's sanction is solicited to the proposal.
